Note that your Group Project Assignment 1 score will be based upon this peer review assessment.

10 (Fully Contributed) ~ 0 (No Contribution)

For you to assign a contribution score between 10 and 0 to your teammates, you can consider:

- (1) **Quality:** Are each deliverable, comment, and feedback contributed to the team detailed, thoughtful, and on time?
- (2) **Collaboration:** Do your teammates participate in the online and/or on-campus discussions regularly?
- (3) **Tasks:** Do the task contributions that you wrote down align with your given scores to you and your teammates?
